ARUBA – DIVI PHOENIX

ARUBA

Modern, colorful, and striking, the high-rise Divi Aruba Phoenix Beach Resort is rivaled only by its most outstanding amenity — miles of pure white sand beach.

Situated on Aruba's famed Palm Beach, and backed by a private wildlife sanctuary, the Divi Phoenix scenery is a tropical delight. Clear aqua waves wash up on a beautiful wide beach dotted with thatch cabanas and inviting hammocks. A lively beachside bar and palm trees rim two intimate freshwater pools.

Divi Aruba Phoenix has a spacious fitness center featuring floor to ceiling windows, the

latest fitness equipment, and spa services.

A scenic hiking path wraps around the resort and through the neighboring Divi wildlife preserve. A resort concierge is available to assist with island tours, sailing excursions, and other activities.

Guests of the Divi Aruba Phoenix Beach Resort enjoy onsite amenities plus the combined offerings of a family of five Divi Aruba resorts. The Divi family offers nine restaurants, a full-service spa, fitness center, water sports, and more — only moments away! Complimentary transportation is provided to the Alhambra Casino and shopping bazaar.

One hundred and one spacious beachfront studios, one- and two-bedroom suites offer fully equipped kitchens, picture windows, and large private balconies with sweeping views.

Casual and gourmet dining are available at the Divi Sunset Beach Bistro. Guests enjoy romantic meals directly on the beach under palms wrapped in twinkling lights. Fresh pastries, coffees and sandwiches can be found at The French Market and Deli.
