ARUBA

Nestled in a delightful tropical garden dotted with freshwater pools, the Divi Dutch Village Resort is an intimate all-suite resort in the Divi Aruba resort collection.

Tucked behind the beachfront Divi Tamarijn Mega Beach Resort and within strolling distance of the Divi Village Beach Resort, the Divi Dutch Village is just steps down a garden path to beautiful Druif beach.

The Dutch Village is a serene spot in lively Aruba, with oversized rooms and quiet escapes perfect for families with all generations.

Guests of the Divi Dutch Village enjoy onsite amenities including lighted tennis courts and two freshwater pools, plus the combined offerings of a family of five Divi Aruba resorts. The Divi family offers nine restaurants, a full-service spa, fitness center, water sports, and more — only moments away! Complimentary transportation is provided to the Alhambra Casino and shopping bazaar.

One hundred twenty-three spacious studio, one- and two-bedroom suites feature fully equipped kitchens and large living areas with private balconies and pool or garden views. Many suites offer balcony or patio whirlpool tubs.

The lively Tiki Tiki poolside bar serves fresh tropical beverages and light snacks.
